Happy Lei Day

May 2018

Aloha,

An executive decision was made by the Kween and Vice Kween to cut the number of vee-quired events/lunches to one per month for the rest of this year. There is a lot of traveling going on by Vixens and we encourage the activity. We are entering our 10th year as Vixens and need to re-evaluate our time. Check our Chapter Events below for new schedule. KK
