### Valley Isle Vixens Chapter

December 2019

Aloha,

It's with a tear in my eye that I am writing the last Vixen Voice. My Foxy Vice Kween and I have decided to call it quits. We persevered for 11 years and what wonderful years it was! The experience and friendships we made will always remain in our hearts. The Valley Isle Vixens will continue with Myrna and I traveling the country in search of more fun Red Hat adventures. We will attend Iao Theater events and other public events around the island. We haven't yet decided how the new Vixen chapter will be run. Please, if you ever want to contact us for an informal lunch or get-together, don't hesitate to call. Let's keep in touch and never forget the sisterhood! A Hui Hou, KK

### Vixen Sisters

November started out with a visit to the cemetery, where our charter member, **Royal Scribe** and very good friend, **Colleen**, is resting. We brought flowers and Butterfinger bars to commemorate her birthday. We miss her smiling face and gutsy outlook on life. Also, on **November 6<sup>th</sup>** we had lunch at Freshie's in Makawao. After lunch we had a special treat and went to our former charter member, **Shannon's**, home for dessert. We love to see the progress her husband, **Brian**, has made on their home. We had a lovely day enjoying the house, friends and the wonderful view of both shores! Mahalo, **Shannon** for your warm hospitality! **Kween Kathy** traveled to CA and then to Georgia for a visit with her nephew, her great nephew, his son and sons, a great niece and her family, Whew! **Foxy Vice Kween, Myrna**, celebrated Thanksgiving with her youngest son and youngest daughter in San Luis Obispo.

Our last **Disorganization Get Together** was held **November 20<sup>th</sup>** at the Kastle. Pot luck consisted of Salad Bar and mimosas. We toasted to 11 years of chapterhood and friendships never to be forgotten. A Hui Hou! See you at a Red Hat event!
