Vixen Events

Our Kween and Foxy Vice Kween, Myrna visited our neighbors to the north in Edmonton, Alberta, Canada. It was a warm and friendly group of ladies. We got to sit at the VIP table and chat with the organizers of "20 Years of the Hat". Diva del Luscious, Adele, Queen of the Red Hat Mamas, was also in attendance. We three held the record of traveling the farthest!

Kween Kathy traveled to the East Coast for a nephew's wedding and a family reunion in Otis, Mass. Family fun!

Foxy Vice Kween, Myrna, attended her granddaughter's graduation in Phoenix, AZ. Always something happening in the Parscal family!
