Valley Isle Vixens

Chapter #79568

June 2014

Aloha,

We had a quiet May with the Kween gone for most of the month. LOL! Glad you all missed me. Even though we had few events, the ones we had, we thoroughly enjoyed! Summer is on its way! Good-bye rain, hello trades! KK

## Vixen Sisters

We are happy to have our **Magnificent Margie** back from her cruise. Unfortunately, she was ill after her trip and that is never fun after such a wonderful time. There is nothing like a New Zealand/Australia cruise!

**Kween Kathy** had quite an adventure, traveling to the East Coast to visit relatives. Stand-by might be cheap, but what price do you pay for your time? A great time was had, but she is happy to be back on Maui with her skulk!

**Darling Donna** left Paradise to attend two graduations and visits with friends and family.

**Foxy Lady, Colleen**, spent sometime in Maui Memorial after a cancer treatment. She is back on her feet and rarin' to go!

## Vixen Happenings

Our month started with our **Sweet Sixteen Party** at the **Class Act** on **April 30th**. **Foxy Vice Kween** planned the event with a full house of Red Hatters! The room was a little chilly and we decided to find a better location next year! As usual, our attendance at the **Women Helping Women** event on **May 4th** was fantastic. Everyone participated in the theme, Dr. Seuss. Mahalo to **Lady Luscious** for keeping her sister's legacy alive!

On **May 25th**, some of us attended the **Miracle Worker** at the Iao Theater. It was very well done and touching.

**Barbara Bling Bling** hosted a tour of the **Police Station** in Kihei. The new facility was beautiful! We were lucky that they are not fully up and running yet and we were treated to view all the cells, holding areas and other non-public rooms. After touring, we enjoyed a tasty lunch at **Fabiani's** in Wailea.

**June 2014:**

I was born in Santa Rosa, California and grew up on a prune ranch with my parents and one brother. I attended UCDavis and earned a BS in Mathematics, went to Chico State for my teaching credential and then USF for a masters in education/counseling.

I taught high school math for 32 years in Novato, CA and then moved to Santa Rosa, along with high school counseling for 10 years. I married my loving husband, Carroll in 1973. I have one son, three stepchildren, 4 grandsons and one new granddaughter (born 5/3/2014) (notice the digits 0-5 are in her birth date!)
